FHS Head Football Coach Bill Giles

Bill Giles

After five years of rebuilding at Chadron State College, new head coach Bill Giles comes to Fort Hays State faced with the task of rebuilding Tiger football fortunes.

Giles and his staff are pointing toward a 1972 season that sees the return of 22 lettermen and 13 starters. To work with these returnees, Giles hit the recruiting road to get 25 freshmen and 15 transfers.

While at Chadron State, Giles compiled a 27-18 record and gave Chadron four consecutive winning seasons for the first time in 20 years. Before coaching at Chadron, Giles coached high school football for four years compiling a mark of 25-11. He then was line coach at Kearney State College, before moving to Eastern New Mexico University where he held the head baseball job and interior line coaching position. The following year he accepted a position at Hiram Scott College for one year and then moved to Chadron.

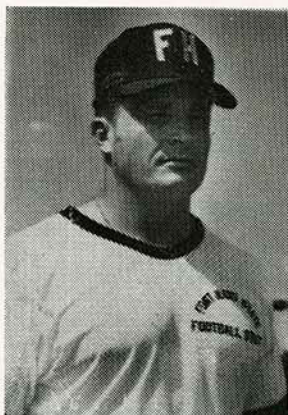

Giles was a standout all-around athlete at Alliance, Neb. High School and a two-sport letterman (football and baseball) while at the University of Nebraska. He was starting end on the NU Orange Bowl team of 1955 and won all-district and All-American honors as a first baseman that year. His .460 batting average led what was then the Big Seven Conference in 1955. He was signed to a professional contract by Joe Gordon and played one year in the California State League.

"Winning takes care of everything" and "Winning is not everything but Losing is nothing" are two mottos that Giles gave his footballers to open the 1972 season. It is with these ideas in mind that Giles is trying to make FHS a winner on the football field.

Off the field, Giles' time is taken up by his wife, Joan and their four children Kim, 16; Billy, 13; Doug, 10; and Kerri, 8.

Giles is a member of numerous professional organizations and was a sponsor of the Chadron Chapter of the Fellowship of Christian Athletes.

Defensive Coach Jerry Cullen

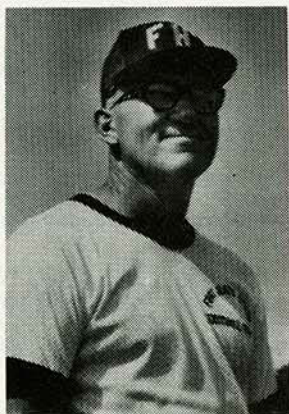

Jerry Cullen

Jerry Cullen starts his first year on the Fort Hays State coaching staff. He received his bachelor's degree from the University of Northern Colorado in 1965 and his master's in Physical Education from Chadron State College, Chadron, Nebraska in 1970.

He lettered in football four years and three years in track while in college at UNC. He was selected Most Valuable Football Player at UNC in 1964 while capturing the Rocky Mountain Athletic Conference rushing title.

Cullen has previously coached at Arvada West High School, Arvada, Colo., St. Procopius College, Chicago, Ill., and Chadron State College, Chadron, Neb.

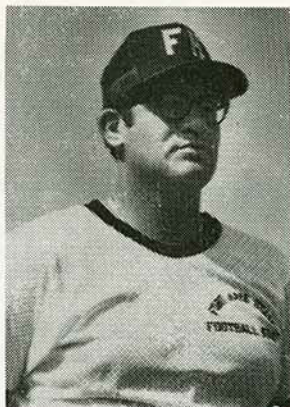

Ed McNeil

Offensive Line Coach Ed McNeil

Ed McNeil earned his B.S. at Kansas State University in 1949 and his M.S. from the same institution in 1950. A four-year letterman at Kansas State, he was named Honorable Mention All-America as a tackle his senior year. McNeil earned his Ed.S. at Fort Hays State in 1967.

Coming to FHS in 1957 after stints as assistant coach at College of Emporia and the University of North Dakota, McNeil starts his 16th year as line coach and chief scout.

Defensive Line Coach Barry Allen

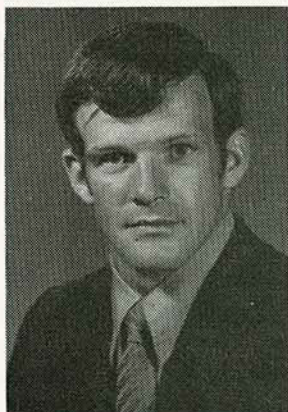

Barry Allen

Barry Allen will be another new face on the Fort Hays State coaching staff. He received his bachelor's degree from Bradley University, Peoria, Ill., in 1963 and his master's at Northern Illinois University, DeKalb, Ill., in 1967.

In 1962 he was chosen by the "LOOK" magazine as Honorable Mention All-American in a pre-season poll. His senior year at Bradley, he was selected team captain of the football team.

Allen started coaching at Lanark High School, Lanark, Ill., in 1963. Since then he has held coaching positions at Lincoln High School, Northern Illinois University and Kearney State College.

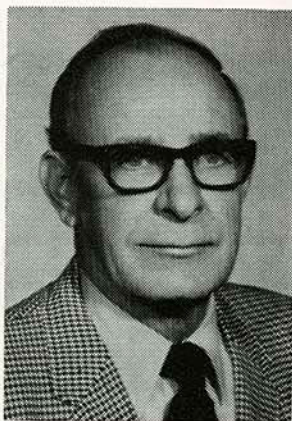

Graduate Assistant John Getz

John Getz

JOHN GETZ returns to Fort Hays State football for his second year as a graduate assistant. Getz saw action as a Tiger in the 1970 season and then returned as a grad assistant last year.

Getz can draw on the experience he picked up as a prep star at Loudonville, Ohio, East Texas State University, Commerce, Tex., and as a member of the 2nd Marine All-Star team to help him in his coaching of the FHS squad. This past summer Getz played semi-pro football in the Ohio-Pennsylvania League for the Mohican Raiders.

Athletic Director Cade Suran

Cade Suran

Cade Suran starts his eighth year as Athletic Director at FHS after spending 19 years as the Tiger head basketball coach. In those 19 seasons, Suran rolled up 264 wins against only 151 losses for a winning percentage of 63.6.

Suran's Tiger cage teams won CIC championships in 1950, 1959, 1962 and 1963. They also won the NAIA District 10 (All-Kansas) titles in 1959, 1962 and 1963. The 1959 and 1963 teams both made it as far as fourth place in the NAIA tournament of champions.

Suran earned his A.B. at Kansas Wesleyan University in 1934 and his M.S. at Fort Hays State in 1950. He coached high school basketball at Harlan, Downs and Wellington before coming to FHS in 1946.

Douglas Sebold

Tiger Trainer Douglas Sebold

Doug Sebold who is in his third year at Fort Hays, received his Bachelor's and Master's degrees from Long Beach (Calif.) State in 1967 and 1968. The Nebraska native has been athletic trainer at Southwest Missouri State and serves as head trainer at FHS.

Tiger Outlook for 1972

1972 finds the Tigers with three-fourths of a new coaching staff and many freshmen and transfers spotted throughout the line-up, all of which tabs the year as a wait and see situation.

One thing is for sure as the Bengals enter the new campaign, they are not deep. Of new Head Coach Bill Giles can come up with 22 first rate starters, the corps of reserves is thin. Giles is hopeful that many of the freshmen who are showing promise in pre-season drills can brighten this picture as the year goes on.

Giles brought Jerry Cullen to Fort Hays State with him from Chadron State to handle the defensive chores. Barry Allen, also new to FHS this year, is working with Cullen in this department, and there is some reason for hope that the Black and Gold will improve on the 26.6 points per game they allowed in 1971.

J. D. Armstrong is back after missing the most recent season with a torn-up knee. He wrestled and put the shot for the Tigers after the operation and proved the doctors did their jobs well. At 6-0 and 230 pounds with outstanding mobility, Armstrong may be as Cullen says, "the best damned linebacker in this league."

Bill Merritt who came to Hays from Chadron with Giles and Cullen, and Gary Marvine should start on the outsides in what is a much improved linebacking chore.

The front four on defense looks bigger and quicker than last year's crew. Bruce Bruce, 6-5, 235, and Lewis Kasselmann, 6-0, 210, will be at tackles with Rod Lungren, 6-2, 215 and Bob Kuhn, 6-3, 250 at the end spots.

Jonathan Douglas, who started at quarterback for the Tigers each of the past two seasons, will start at one corner; and Jerry Smith, who made the starting team as a walk-on last season, should be at the other corner. There is still a great deal of competition for the safety spots.

Kurt Watson, the Pratt Juco transfer, has a slight edge on Bruce Hawley, last year's starter as season's end, at quarterback in pre-season.

With Reggie Ballew out for the season with a shoulder separation, the running game should rely on Ken Zeigler and Steve Crosby. Crosby returns this season after missing 1971 due to military duty. He gained 891 yards as a sophomore running in the same backfield with Tommy Evans and should take up right where he left off.

Top all-America candidate John Woodworth is back at split-end for another recordbreaking season. Frank Arnhold should start at center if a pre-season injury doesn't slow him too much. Rick Doran and Jim Bicknell return to duty at tackle and the rest of the offense is a dog fight for starters. Some freshmen and transfers will have to produce.

The team spirit is up and the attitudes are good going into the 1972 round. With some breaks, top performances from veterans and fast maturity from freshmen and transfers plus an avoidance of the injury jinx, Giles and Company should make some progress toward getting the FHS football fortunes back into the win column for the first time since 1966.

The New GPAC

The birth of the Great Plains Athletic Conference actually came with the reorganizing of the reorganized Rocky Mountain Athletic Conference which was born in 1969. The GPAC, which begins competition in the football season of 1972, is made up of the members of the Plains Division of the old 15-member RMAC.

The Mountain Division of the old RMAC retained the same teams as well as the name of the conference. Both new conferences will continue to operate under the direction of Commissioner Harry B. (Doc) Kinseley. The commissioner's office remains in Denver at 1423 South Garfield (telephone: 303-756-6311, zip code: 80210).

The only real difference between the new set-up and the old is that winners in the two conferences will not play for an overall title as they did in the division set-up, and sports involving conference meets (e. g. wrestling, track, etc.) will no longer involve all fifteen schools of the old RMAC.

The main cause for the new GPAC was the growing expense of running college athletic programs. The travel involved in the RMAC was causing expenses that were beyond the means of most of the member schools.

Fort Hays State competes in eight of the nine GPAC sports. FHS dropped its swimming program some years ago, but there is talk of reviving it after the new HPER fieldhouse and pool are completed. While FHS does compete in gymnastics, the conference does not provide competition in that sport.

Fort Hays Kansas State College marked its 70th birthday in June. The institution is a tax-supported liberal and applied arts college, established and maintained by the state.

The college opened June 23, 1902, with 34 students, two faculty members and 19 courses. For two years the college held its sessions in two old Fort Hays buildings on the fort grounds.

The institution has grown steadily to its present enrollment of an estimated 5,300 students, with more than 800 courses and about 250 faculty members.

The campus is located immediately to the southwest of the city limits of Hays, on Big Creek, which wanders through the campus. The campus proper consists of about 80 acres, while all of the college land totals 4,160 acres.
